### BACKGROUND MUSIC THAT YOU SUPPLY:

We can add music to your DVD Slideshow from CDs that you supply. There is a setup charge of \$20.00 per order, and an additional charge of \$7.50 per song. Your images can be on screen for a set amount of time (usually 5 to 7 seconds), or we can space them to fit the songs you supply.

If you want your songs synchronized to fit a group of photos, an additional charge of \$15.00 per song is required for video editing. Please include detailed instructions describing the song sequence, and which photos are to be synchronized to the selected songs.

## DVD Slideshow from Prints, Slides, Negatives and Digital Files

**A professionally produced "slide show" of photographs playable on your computer or DVD player**

Service Time: 12 Lab Days—January thru October  
15 Lab Days—November & December  
RUSH Service is available: \$20 to \$50, depending on the size of the job and our workload. Please call for a quote.

As we scan your slides and negatives, our qualified technicians adjust the color of each image and correct the exposure. Your images are combined into a seamless slideshow with each image fading into the next one. Each image is on screen for 5 to 7 seconds, but you may specify a different duration. At your request we can add a music background from our library of royalty-free music or music that you supply to us on CD or other digital format.

### **MAIN TITLES:**

**Please specify these two titles which are included in your DVD Slideshow at no additional charge:**

1. The **Cover Title** you want printed on the front of the DVD.
2. The **Main Menu Title** you want to appear on screen when you insert the DVD into your player. These do not have to be the same title. On-screen title(s) should not exceed 16 characters in length.

If you want your images in a specific sequence, please include clear instructions. Number your prints on the back and slides on their mounts to help us maintain your desired sequence of images. We cannot guarantee proper sequencing without such numbering.

### **Scanning Your Images for Your DVD Slideshow:**

You may submit a combination of prints, slides, negatives and digital files. Quantity prices apply to the total number of images scanned of one format—see columns below. Each time we switch from one format to another there is a **format change fee—\$2.95**. For example, each change from 35mm slides to 126-size slides, or vice versa, incurs this fee, as would changing from prints to slides, and back again. Copyrighted images require a signed release from the copyright owner.
