DVD Slideshow from Prints, Slides,

Negatives and Digital Files

A professionally produced "slide show" of photographs

Service Time: 12 Lab Days—January thru October
 15 Lab Days—November & December
 RUSH Service: \$10 to \$50, depending on the size of the job and our workload. Please call for a quote.

As we scan your slides and negatives, our qualified technicians adjust and correct the exposure and color of each image. Your images are combined into a seamless slideshow, each image fading into the next one. At your request we can add a music background from our library of royalty-free music or music that you supply on CD.

MAIN TITLES:

Please specify these two titles which are included in your DVD Slideshow at no additional charge:

- (1) The **Cover Title** you want printed on the front of the DVD.
 - (2) The **Main Menu Title** you want to appear on screen when you insert the DVD into your player.
- These do not have to be the same title. On-screen title(s) should not exceed 16 characters in length.

If you want your images in a specific sequence, include clear instructions. Please number your prints on the back and slides on their mounts to help us maintain your desired sequence of images. We cannot guarantee proper sequencing without such numbering.

No refunds allowed on this service. If we make any errors in production, return the order within 21 days and we will cheerfully remake the DVD with the corrections requested. Any additions or corrections that were not specified on the original order will incur additional charges.

Scanning Your Images for Your DVD Slideshow:

You may submit a combination of prints, slides, negatives and digital files. Quantity prices apply to the total number of images scanned of one format—see columns below. Each time we switch from one format to another there is a **format change fee—\$2.95**. For example, each change from 35mm slides to 126-size slides, or vice versa, incurs this fee, as would changing from prints to slides, and back again. Copyrighted images require a signed release from the copyright owner.
